APIE

APIE Program Certificate
Issued by SOI Asia

This is to certify that

Nurul Shafiyah Zulkarnain

Universiti Sains Malaysia

has completed the following course

APIE Internship: Camp TA

certificate badge

Jun Murai, Ph.D.
Senior Advanced Research Project Professor,
Keio University
Founder of WIDE Project

Keiko Okawa, Ph.D.
Advanced Research Project Professor,
Keio University
Director, SOI Asia

Wan Mohd Nazmee Wan Zainon, Ph.D.
Associate Professor and Dean, School of Computer Sciences,
Universiti Sains Malaysia.

Issued

November 2026

Transcript

SOI Asia has confirmed the completion of this individual in this program.

Course Name

APIE Camp

The APIE Virtual Camp is a 5-day, fully online program that delivers a project-based, intensive curriculum focused on network design and deployment. Learners build both foundational and advanced skills through practical labs and collaborative projects. This camp was hosted by Universiti Sains Malaysia (USM), Malaysia, from November 16 to 20, 2026.

Learning outcomes

- Explain the concept of virtualization and implement hypervisor solutions
- Deploy virtualized servers for web and DNS services
- Design and configure DNS services with BIND
- Implement cybersecurity measures for network protection
- Design and deploy basic loT systems using cloud computing
- Collaborate effectively with team members from diverse economies and backgrounds
- Explore potential career paths in network and internet-related fields

About APIE Camp
